Bellevue Heights

Resthaven Bellevue Heights, at 47 Eve Road, Bellevue Heights, offers older people accommodation in 67 Independent Living Units, 43 low and 55 high level aged care places and one low care respite place, and includes a 17 place dementia unit.

With views of the city, sea and picturesque Sturt Gorge, residents at Resthaven Bellevue Heights are very proud of their beautiful grounds. Features of the site include the communal entertainment areas, regular bus trips, volunteer opportunities, a small site shop, a library and regular newsletters. An active Leisure and Lifestyle Program offers each individual an opportunity to be involved.

There is a public bus stop on Eve Road.

A crew of dedicated volunteer bus drivers takes an 8-seater people mover to nearby Blackwood Village, Marion Shopping Centre and other destinations each week.

Independent Living Unit accommodation offers independence, privacy and security, together with access to on-site communal facilities. One and two bedroom units are available, with some white goods and soft furnishing supplied. Car ports are available.

Applicants purchase a licence to occupy the unit. A fortnightly fee, reviewed annually, covers council rates, gardening, sewer and water rates (within limitations), insurance for all structures, administration expenses, repairs and maintenance of buildings and plant. Residents are responsible for their personal contents and public liability insurance and utility accounts.

Residents furnish their units with personal possessions and are responsible for their own laundry, meals, shopping and cleaning needs. Opportunities to maintain a personal garden are negotiable.

Direct inquiries regarding independent living units to the Independent Living Unit Coordinator phone: 8370 3756 or email: independentliving@resthaven.asn.au

Should a move to a residential aged care facility be required, Resthaven gives preference to residents of Independent Living Units, following the necessary government assessments.

Resthaven Bellevue Heights also offers high and low level care services for people 60 years and over who need assistance with daily living activities.

Eligibility for care requires an independent assessment by an Australian Government Aged Care Assessment Team.

Following assessment approval, Resthaven's admissions process includes an evaluation to ensure our facilities are appropriate and that accommodation is offered to those applicants with the greatest need. Each person's circumstances differ, and our Admissions staff discuss individual needs and advise the next steps.
