

**Opened in 2004, this purpose built facility at 200 Adams Road, Craigmore incorporates the best that modern aged care design has to offer - light and spacious rooms, vibrant colours and a water-wise native garden to attract the birds.**

Resthaven Craigmore accommodates 44 high and 45 low level care places, including three respite places.

The facility incorporates a 15 place low care secure dementia unit for those requiring special care and a tendency to wander. Every room features an ensuite bathroom and the majority are single rooms.

Features include an on-site internet café, coffee shop and store, communal entertainment areas, hairdresser, volunteer opportunities, bus trips, a cosy library and regular newsletters. There is always something going on - films, concerts, quizzes - it's your choice to participate or not.

Resthaven offers high and low level care services for people 60 years and over who need assistance with daily living activities.

Eligibility for care requires an independent assessment by an Australian Government Aged Care Assessment Team.

Following assessment approval, Resthaven's admissions process includes an evaluation to ensure our facilities are appropriate and that accommodation is offered to those applicants with the greatest need.

Each person's circumstances differ, and our Admissions staff discuss individual needs and advise the next steps.
