Leabrook

A landmark in the leafy City of Burnside, Resthaven Leabrook is situated on the corner of Kensington and Glynburn Roads, where it has provided a safe and happy home to older South Australians since 1944.

The facility provides 71 low and 40 high level aged care places, including a 14 place low care secure dementia unit and two low care respite places.

Features include the communal entertainment areas, a small on-site coffee shop and kiosk, monthly bus trips, a library and regular newsletters. There is always something going on - films, concerts, quizzes - it's your choice to participate or not.

Families are encouraged to become involved through a variety of volunteer opportunities.

Resthaven offers high and low level care services for people 60 years and over who need assistance with daily living activities.

Eligibility for care requires an independent assessment by an Australian Government Aged Care Assessment Team. Following assessment approval, Resthaven's admissions process includes an evaluation to ensure that our facilities are appropriate and accommodation is offered to those applicants with the greatest need.

Each person's circumstances differ, and our Admissions staff discuss individual needs and advise the next steps.
