Marion

Situated near the Marion Shopping Centre, Resthaven Marion, at 10 Township Road, is the largest Resthaven facility. Resthaven Marion accommodates 94 low and 65 high level aged care places, including a 16 place high care secure dementia unit, including one high and three low care respite places. Thirty seven independent living units provide another affordable retirement option.

Resthaven Marion recently underwent a major expansion, including relocation of the front entrance to 10 Township Road, refurbishment of low care amenities and new high care accommodation.

Resthaven Marion offers high and low level care services for people 60 years and over who need assistance with daily living activities. Eligibility for care requires an independent assessment by an Australian Government Aged Care Assessment Team. Following assessment approval, Resthaven's admissions process includes an evaluation to ensure that our facilities are appropriate and that accommodation is offered to those applicants with the greatest need.

Each person's circumstances differ. Our Admissions staff discuss individual needs and advise the next steps. For residential respite or admission inquiries, phone the Admissions Department on 8373 0211 during business hours or email: inquiries@resthaven.asn.au

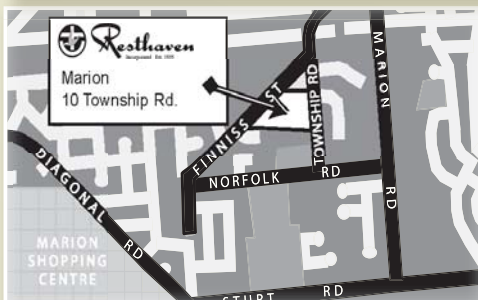

To arrange a tour of the site phone 8296 7555.

Residents have access to trips on the Resthaven bus,

knowledge programs, guest speakers and musicians, entertainment and on-site hairdresser.

There is always something on; films, concerts, quizzes - it's your choice to participate or not.

Independent Living Unit accommodation at 12 Township Road offers privacy and security, together with access to on-site communal facilities. One and two bedroom units are available, with some white goods and soft furnishing supplied. Carports are available.

Applicants purchase a licence to occupy their unit. A fortnightly fee, reviewed annually, covers council rates, gardening, sewer and water rates (within limitations), insurance for all structures, administration expenses, repairs and maintenance of buildings and plant. Residents are responsible for their personal contents and public liability insurance and utility accounts.

Units are furnished with the resident's personal possessions and they are responsible for their own laundry, meals, shopping and cleaning. Opportunities to maintain a personal garden are negotiable. Should a move to a residential aged care facility be required, Resthaven gives preference to existing residents of Independent Living Units, following the necessary government assessments.
