

Resthaven
Incorporated

Murray Bridge

Since 1958, Resthaven has offered aged care accommodation and support at 53 Swanport Road, Murray Bridge. Over the years, there have been many additions and improvements. The facility offers accommodation in 78 low and high level care places, including a 17 place secure unit for people with memory loss and confusion and one low level respite care place.

Features include the communal entertainment areas, a small on-site 'trolley' shop, hairdresser, bus trips, a library and regular newsletters. There is always something going on - films, concerts, quizzes - it's your choice to participate or not.

Family involvement is encouraged through a variety of volunteer opportunities.

Resthaven offers high and low level care services for people 60 years and over who need assistance with day to day activities.

Eligibility for care requires an independent assessment by an Australian Government Aged Care Assessment Team. Following assessment approval, Resthaven's admissions process includes an evaluation to ensure our facilities are appropriate and that accommodation is offered to those applicants with the greatest need. Each person's circumstances differ, and our staff discuss individual needs and advise the next steps.
