Serving up a treat on Pancake Day

There were happy faces and satisfied stomachs aplenty at Resthaven Murray Bridge and Hills Community Services this week.

On Tuesday, 16th February 2010, clients, friends and volunteers met at Lutheran Homes, Village Centre at Murray Bridge, to celebrate Uniting Care Pancake Day.

The event is aimed at raising funds for Uniting Care services, whilst enjoying some delicious pancakes in the bargain.

Resthaven Aged Care is celebrating its 75th Anniversary this year, so the event had a '75th Birthday' theme.

There was a 75th Birthday cake, made by Clerical Officer, Michelle Brehaut. There were also 75th Birthday cupcakes, made by Registered Nurse, Sally Patten, with edible icing bearing the 75th Anniversary Logo.

Coordinator, Sean Browning, made delicious pancakes for the guests to enjoy, serving them up with jam, cream, lemon, sugar, maple syrup and honey.

Assisting to serve was volunteer, Gloria Schaffer, visitor, Jan Burgess and Resthaven Murray Bridge Community Services staff.

Resthaven Murray Bridge Community Services Coordinator, Heather Dibben, said the event was 'a great success.'

'The feedback we have received has been lovely,' Heather adds. 'It made the hard work and organising very worthwhile indeed.'

Funds raised from the day will go towards social support for Resthaven Murray Bridge and Hills Community Services clients.
